THE WEATHER

For Columbia and vicinity: Generally fair tonight and Sunday; somewhat cold-er tonight and warmer Sunday afternoon.

For Missonri: Generally fair tonight and Sunday; cooler tenight; slightly warmer Sunday west and north portions. Shippers' forecast: Within a radius of 200 miles of Columbia the lowest tem-perature during the next 36 hours will be

A quite well formed low pressure wave a crossing the Mississippi Valley this marning. It is attended by cloudy, showery weather, especially in its eastern from which extends from Mississippi and Arkansas to the lower Lakes; it is traveling eastward. A moderate high pressure wave, accompanied by clear skies and cool to moderate cold, is coming over the southern Rocky Mountain region. It is not a severe cold type, and the change in temperature in the lower Mis-

change in temperature in the lower Missouri Valley will not be very marked.

Light to moderate rain has fallen over most of Missouri, and the highways are somewhat slippery but not muddy. Sunday will be generally fair with about around temperature.

Program Arranged for Boys and Girls for Farmers' Week.

The program for the Boys' and Girls' Clubs for Farmers' Week. Jamary 17-22, 1921, at the College of Agriculture. University of Missouri, has been airanged and the premium list completed. This is an annual event and many counties have sent club representatives to this meeting. Sometimes the expenses of the team are paid by the county farm buscau, a commercial club, or a county court, and semetimes by the members themselves.

The program includes demonstrations in judging all products of the farm with instructions in the activities of rural life. There will be demonstrations in sewing and canning and much wholesome recreation offered.

The exhibits will consist of bags, supe

sinte of affairs in Ireland.

Trouble had been expected when Mrs. McSwiney landed and several hundred rollice had been stationed about the car in which she was to ride and along the dock to keep the crowd hack when she came ashore. The "silent welcome" continued until she and her sister-in-law tepped into the waiting machine, and then a great cheer was given by the rong who waited to see her. The car was accompanied to the hotel by a police guard on motorcycles. There was no disturbance incidental to her arrival. southeast and southwest sections of the state having the largest number of grain judging contests. 6—Team sooring high-est in stock judging. 7—County having the largest number of standard clubs. 8—State shield to the county making the violent. Dr. and Mrs. F. R. McDonald With Methodist Medical Mission.

Dr. and Mrs. F. R. McDonald With Methodist Medical Mission.

Mr. and Mrs. Mason Vaugh have just received a letter from Mrs. F. R. McDonald in China. Both Doctor and Mrs. McDonald are at the Methodist Medical Mission in Changsli, North China, where Doctor MeDonald is practicing. Doctor McDonald was graduated from the School of Medicine of the University of Missouri in 1916. Mrs. McDonald was formerly Miss Blanche Gale, is also as formerly Miss Blanche Gale, is also as former student of the University.

Doctor McDonald is spending 5 hours at language study besides his work in the hospital, Mrs. McDonald assists in the care of both foreign and Chinese bahies, in the hospital, and teaches a class of boys in senior English. She relates an amusing experience with some of the boys who did not understand what she meant when she asked them to write a composition on the last revolution.

Mrs. McDonald closes her letter by saving: "I wish to assure you that we are again threatened with a famine—and it is feared a severe one," she said. The car which the Columbia Christian Church famished for Miss Fleming had set yet arrived though she was expect-

surs. McDonald closes her letter by saying: "I wish to assure you that we still be delighted to have the Volunteer out yet arrived though the Bulletin as often as of
